Eye Catching Accessories

SBSP-001

Dress up your structure with Stromberg planters. From simple lines to ornate patterns, we are the source for eye-catching accessories.

Add a touch of greenery to both indoor and outdoor areas. Show symmetry by adding more than one planter to your space. Group Stromberg planters for a stunning visual effect.

However you plan to display your planter, it is an inexpensive way to update and refresh your space. Stromberg planters are finely crafted from durable, high quality materials, and are built to stand up to the elements while maintaining their beauty.

Planters Created to Stand the Test of Time

Stromberg planters are crafted from quality materials. Choose from durable, lightweight GFRC, low maintenance GFRP, or versatile Cast Stone.

Whatever material you choose, Stromberg has made it available in many shapes, sizes, and finishes.

Perhaps your project requires the look of real wood. Stromberg planters are

crafted from durable weather resistant materials that will stand up to the elements, yet remain unaffected by chemicals, acid rain, and rot; unlike natural wood.

Choose the style that best suits your needs, or let our team of experts design a custom planter that expresses the true character of your structure.

Why Stromberg?

Stromberg planters are widely used in the hospitality industry and they adorn the hallways, lobbies, and landscapes of well known hotels and luxurious resorts.

Stromberg planters are fully customizable and can be designed to match the existing décor of the

area in which they are placed. Put your faith in Stromberg's 30 years of experience in the industry. Stromberg Architectural offers exceptional craftsmanship, free design assistance, quality materials, and fast turn around. You can count on us for CAD details and specifications. We are the manufacturer, and provide

color and sizing options that are best suited to your needs.

Stromberg Architectural is who to call when you have a challenging project. Our talented designers will guide you through any obstacles that arise, making your satisfaction our top priority.
